

Hotel De Looier

Hotel de Looier has stepped up precautionary measures on preventing the spread of the Novel Coronavirus (COVID-19).

The safety of our guests and employees are of paramount importance to us. Hotel de Looier will do everything that we can to ensure that our guests have a safe and pleasant stay.

Our staff have been briefed on the guidelines provided by the local health authorities. In terms of measures taken, staff and guests who are unwell with any symptoms of fever, flu or respiratory problems are asked to consult a doctor immediately. For overseas guests, our hotel teams will assist to call in a doctor.

Additional measures include staff briefings to reinforce the rules and practices of good personal hygiene as well as hand sanitizers that are placed at guest contact areas such as the hotel lobby and elevators.

Special attention has also been placed to sanitize public contact points such as elevator buttons, reception counters and banisters. The cleaning of guest rooms has also been stepped up even further.

Meetings are conducted to review the situation; we are in constant communication with staff and guests to keep them updated and to advise them on appropriate measures to take.

We remain vigilant and will work closely with the authorities for the health and safety of all stakeholders.

Thank you for choosing Hotel de Looier and we look forward to welcoming you wherever you stay with us.

Important measures:

- Refrain from touching eyes, nose, and mouth
- Wash and sanitize hand thoroughly
- Try to limit physical contact and be mindful of proximity to individuals with colds or flu symptoms.

Stay clean, stay safe, and help contain Covid19 !
